By hitting the powerful typhoon, it had a negative impact on the number of orders in October due the suspension of our affiliated stores.

As for the topic of October, we signed the official gold partnership contract with “OSAKA EVESSA”, which is professional basketball team under B. LEAGUE in Japan.

Moreover, we started the sales of noodle delivery containers which have been developed in cooperation with FP Corporation on October 29. The number of noodle orders is increasing thanks to the expansion of *sharing delivery*. We make our maximum effort to improve the delivery quality continuously.
